COMMENTS:

PLEASE KEEP THE FOLLOWING IN MIND WHEN VISITING THE GALLERY:

Student behaviour, safety and security are the teacher's responsibility. Groups must be supervised at all times. Bulky schoolbags may be left near the volunteers' desk at the entrance to the Gallery. Works of art are fragile and we ask you to look with your eyes and not your hands and to take notes with pencil. You may take photographs in some exhibitions without the use of flash or tripod for private use only. You may take photographs of your students engaging with the gallery without flash or tripod. Please refrain from eating in the gallery. Feedback is important to us so please leave a comment in the visitor's book if you wish to tell us something.
