A RESOURCE KIT FOR AUSTRALIAN SCHOOLS DRAWN FROM THE COLLECTION OF GOLD COAST CITY GALLERY

Gold Coast City Gallery is one of Australia's most prominent public regional galleries and holds a important collection with a strong focus on Australian art practice since the mid 20th Century.

Much of this collection is held in storage and is therefore inaccessible to students and teachers. This education kit has been written by curriculum experts in collaboration with curatorial staff and designed with the express intention of making the collection more widely understood and accessible.

This education kit was developed by Gold Coast City Gallery. Gold Coast City Gallery would like to acknowledge the generous financial assistance from The George Alexander Foundation and Museum and Gallery Services Queensland through the Visual Arts and Craft Strategy, an initiative of the Australian, State and Territory Governments. This project has received financial assistance from the Queensland Government through Arts Queensland.

The kit is a visually stunning resource for Australian schools featuring:

- 37 A3 size cards featuring colour reproductions of artworks by some of Australia's most significant artists including Donald Friend, Tracey Moffat, Margaret Olley, Scott Redford, Fred Williams and Anne Zahalka
- 52 page workbook featuring activities designed for each year level around six themes:
 - *The Beach*
 - *The Sea and the Marine Environment*
 - *William Robinson and the Rainforest*
 - *Art Outdoors*
